“AMPARO”

AMPARO: A SPANISH WORD MEANING PROTECTION, REFUGE AND HELP.

Amparo International is a Canadian faith-based nonprofit with a heart for hope and transformation. We operate Colegio Amparo, a K-12 school tucked away in one of the most remote corners of Nicaragua, serving 200 students from 8 surrounding communities.

For generations, girls in El Mango had few opportunities to continue their education and pursue their dreams. Today, students like Karina are preparing to graduate as part of Colegio Amparo's first graduating class in 2026. Her story is a powerful reminder that when a child is given the chance to learn, an entire future can be transformed—and your sponsorship helps make that possible.
